Dear Mr.Suraj,

This is a new job. I saw a sample created by Mr.Jitto, which was a learning level.Can I develop an attached program in Python as a formal job?

We are also preparing for further development work on this program.

Regards  
 Ueno

Dear Mr.Hiroshi,

Good afternoon!!!

Have you got a chance to review the next project requirements.

We are about to complete our testing phase of Chat v2.

Our Chat team will be running out of tasks in a couple of days.

If you could send us some quick notes about the requirement of next project, we could conduct our initial study.

Thanks and regards  
 Suraj P
